- Monthly reservations for after school care receive a discounted per day rate. Monthly reservations must be made by the last Friday of the month. Families will have a choice of days for their **monthly reservation commitment** to meet the needs of their schedules. You may choose any of the options above. For example, even if your child is a full-time student, you can choose part-time after care if that is what fits your needs.
- After care can be paid up front or will be invoiced monthly along with your tuition bill. Prices in the table are the rates per child. SCA offers a multi-child discount of 10% for each additional child. SCA offers a \$5 discount each month for paying up front.
- Hours for after care are from 3-5 PM. The rate is a flat rate for the 2 hour period regardless of the time your child gets picked up.
- Late pick up fee is \$1.00 per minute after 5 PM.
- Registration fee covers water, a healthy snack, and materials used.
- There are no deductions for student absences, holidays, or emergency closings.
