

An Inside Look

@ Simonton Christian Academy Issue 23: October 2022
Monthly Newsletter from Rebecca Gaubatz

Parent Conferences

October brings the end of our first grading period. Elementary students have covered two units in our Bible based literacy curriculum. Teachers will be meeting with each parent at the end of the month. Report cards will be given out at this time. PreK families will have the option to meet with their child's teacher as needed.

Website

Our school website is live at www.simontonchristian.org. However, we are still in the process of updating the information, links, and documents on the website. We apologize for any inconvenience this has caused and appreciate your patience as our office staff works to finalize the site. Online billing will be added over the next couple of months. Currently, if you wish to pay online you may do so via PayPal. There is a link and QR code in the Tuesday newsletter. PayPal does charge a service fee which is a percentage of the total. Once our online billing platform is set up via FACTS/RenWeb, automatic drafts and credit card payments will be accepted as well as cash and checks.

New to SCA?

If this is your first year at SCA, you may be wondering how to get more involved or connect with other parents. One of the best ways to do this is by getting involved in SCAPO (Simonton Christian Academy Parent Organization). SCAPO parents get to know one another and plan for campus events. Following us on social media and reviewing the Tuesday newsletter from the office will also keep you up to date and informed. Each school year, we have fundraisers to offset the costs for educational resources and day to day operations. Tuition covers salaries, but since we do not receive any government funding it is vital for us to have fundraisers. This year we will have three fundraisers.

The 30th anniversary ceiling tile sale is a small fundraiser special to this school year. 30 tiles are being sold through the end of October. Tiles will be painted in November and displayed for the rest of the school year and for future generations. We will also have two larger fundraisers. The first being the Clays for Christ shooting tournament scheduled for Dec 2. This afternoon event will have a raffle, silent auction, and a sporting clays shoot. Our spring event is our annual Gala. This is a dinner and auction event March 9. Both of these events are great ways for families to get more involved as well as ways you can help spread the word about SCA to people you know. Thank you for being a part of the school and trusting us with your most valuable asset.
